##### **John 4:34-36**

- Rooted book page 145

"When we are open to serving God by loving His people in a hands-on way, the Holy Spirit makes us aware of needs around us. If we ask Jesus for eyes like His, we see needs, and are put in a position to help. But know that it may not be convenient. Even so, through the Holy Spirit's work in our hearts, ours can be a lifestyle of service. God's plan isn't for us to do a good thing every now and then. It's for us to adopt the heart of Jesus, and ache for those in need. It's for us to use our gifts, talents, and time in big and small ways to help change the lives of others, and draw them closer to a relationship with their Heavenly Father."
